

HOW SHALL WE LIVE?

OUR CITY..

.. IS ALL ABOUT URBAN DELIGHT

Schulze+Grassov ApS > Louise Grassov and Oliver Schulze lead a studio of urban and landscape designers experienced with public realm transformations on all continents and delivering award-winning projects for public and private sector clients.

Beyond Green Ltd > Jonathan Smales and Matt Dearlove lead a team of strategists, policymakers, planners, economists, designers, and communications experts who are changing the places we live in, and how we live in them.

The joint venture of **Schulze+Grassov** and **Beyond Green** was established in 2013 to deliver an integrated suite of strategy, management and design services for clients that want to build remarkable places for people.
